Additional information:

Intervene (1x p/10 turns): The RBS will leap up to 40' and intervene/block any attack or spell against the Spider Necromancer that will successfully reduce his hit points to zero or less. The RBS will suffer the damage from the attack instead. This ability can be performed at any time.

Starting with its second combat turn, the RBS will perform **Web Spit** at a random player within a 20' range.

A failed ST by the character results in being silenced plus web entanglement (-2 to Dexterity and -2 to hit). This effect is cumulative. A successful ST means the character dodged the attack. The webbing can be removed if a player dedicates his entire combat turn to its removal. The RBS will perform Web Spit every third turn after the second.

The Red-Backed Spider can move up to a maximum 40' per turn.

Bite: Melee weapon attack, 10' range

Stab: Melee weapon attack, 10' range
