The Spider Worshipper performs a Short Sword attack OR an Unarmed attack once per turn.

Depending on the GM's discretion, the human worshippers are either armed with short swords or nothing at all. The Spider Necromancer does not care much for the worshippers, so they are not under his blessing as the various spiders throughout the dungeon. Nevertheless, the worshippers will fight to the death.

Short Sword: Melee weapon attack, 5' range

Unarmed: Melee weapon attack, 5' range
