The Goblin Thief makes 2x Short Sword OR 2x Throw Explosive attacks per turn plus the following:

The Goblin Thief performs an additional Short Sword attack at the end of the 3rd player's turn.

The Goblin Thief seeks to cause confusion among its adversaries, steal from them and then flee.

The Goblin Thief carries multiple explosive devices which he can throw up to 90' with extreme accuracy.

Any creature within the area of effect which fails its saving throw results in the following:

Sleep Gas: loss of consciousness to creatures within 10' of detonation.

Flash of Light: temporary blindness to creatures within 20' of detonation.

Loud Explosion: temporary deafness to creatures within 20' of detonation.

Hallucinogenic Gas: extreme euphoria to creatures within 10' of detonation.

Short Sword: Melee weapon attack, 5' range

Throw Explosive: Ranged weapon attack, 90' (see details)
